5. I understand the courses offered through the Releasees are intended to guide through lecture, discussion, and experiential means. I acknowledge as Releaser that I am solely responsible for determining the extent to which I can safely participate in any course in all aspects: physical, emotional, mental, and spiritual. I further acknowledge that should I determine I am unable to participate and as a result, I fail to complete the course by the deadline or fulfill course requirements, that I will not receive a refund, extension, or future class/course credit.
6. I understand that information provided through any means throughout this course as well as any information gained through interaction I might have with the instructor cannot replace a doctor's assessment, diagnosis, prescription, recommendations, or directives; nor does it provide a substitute for professional, licensed medical, mental, dental, or veterinary care. I am fully responsible for the state of my mental and physical health at all times. Services and courses offered by EHAAT are not a replacement for licensed medical or mental health care, treatment or diagnosis.
7. I understand that I am fully responsible for any comments or recommendations I make to others regarding subtle energy healing and crystal therapy during my term as a student of the Program, and as a graduate.
8. I acknowledge that I am responsible for ensuring that I have all of the technical equipment, Internet connectivity, and required books and materials in place before I begin the program, and that any technological issues that may arise from my equipment or services are my responsibility to resolve. I acknowledge that if I am unable to complete the Program and meet deadlines due to equipment or service failure, or due to failing to procure the required textbooks and materials, that no refunds, extensions, or future financial or class credit will be given.
9. I understand that I am responsible for determining my ability to perform certain computer-based and Internet-based tasks which are detailed in the Program Terms and Conditions provided, as well as on the course description webpage. I acknowledge that if I fail to complete the Program and meet deadlines due to my inability to perform these tasks, that no refunds, extensions, or future financial or class credit will be given.
10. I understand that an IT Professional manages the integrity and maintenance of the Elemental Healing Arts and Training LLC course website and is available to reconcile any errors or issues related to website function and security, and that I am responsible for ensuring the integrity of my personal equipment and software.

11. I acknowledge that this Program is the sole property of Elemental Healing Arts and Training LLC and as such, Elemental Healing Arts and Training LLC may distribute any materials of the course, add-in workshops, online webinars, et al., to third parties for sale or otherwise. In consideration of access to the course and any additional online educational offerings, I hereby waive and relinquish any and all claims for remuneration and any rights to object to release of any such recordings or transcripts, including images, recordings, or transcriptions of Releasors in any form, at any time, and in any location or context whatsoever.
12. I understand that the Program in its entirety is the property of Elemental Healing Arts and Training LLC. I understand that Releasees retain all legal and ownership rights to all class content and instructional materials including lecture videos, handouts, outlines, assignments, and any other course materials provided in any medium. **I agree not to download videos and to view them only through the course portal. I agree to not reproduce, copy, distribute, share, sell, or use any of the course materials for any other purpose than completing the Program for which I have paid without the written permission of Releasees, in accordance to copyright law.** I understand and acknowledge that should it come to the attention of the Releasees that I have breached this agreement, whether by accident or with intent, that Releasors will be removed from the program and additional legal actions may be taken.

14. I acknowledge that quality or consistency of equipment (including all internet connections, cell phones and VOIP connection lines) cannot be guaranteed. If an instructor finds that a connection, whether tested in advance or not, is creating sound quality and recording concerns, and if after reasonable attempts this cannot be corrected, this issue may cause me to be excluded from further live participation in the class, with no refund.
15. I acknowledge that there may be instances when the course website will be down for maintenance. In these rare cases, I understand that when possible, advanced notice will be given via the social media page. In these cases, at the discretion of the instructor, an extension may be granted, but is not guaranteed.
16. I acknowledge that online education may not be a suitable learning environment or learning style for me and that I am fully responsible for making this determination prior to enrollment. Instructors, in conjunction with the Elemental Healing Arts and Training LLC founder, may advise a participant to consider an alternative learning format or school if, in the judgment of the instructor, a participant's participation in a class or class series has negatively affected the training process of the participant, fellow participants, the instructor, or the group dynamic. The instructor reserves the right to decline enrollment in subsequent classes or levels of study based on the above concerns and decisions.
17. I understand that the Program private social media page is intended for the students who have successfully graduated or are currently enrolled in the program. I further understand that while all efforts have been made to ensure that only members approved by Elemental Healing Arts and Training LLC can access and view the private social media page, that there is no guarantee of that degree of privacy given the limitations of control the Releasee has over that domain.
18. I understand that my teacher will offer feedback and critique of my assignments which are used to gauge my understanding and ability throughout the course and that my teacher may require me to resubmit assignments and that failure to do so may result in my not graduating or receiving certification.
19. I acknowledge that this is a student-driven program and that I am fully responsible for receiving necessary clarification regarding materials and concepts delivered throughout; scheduling and attending required meetings with my instructor; tracking my progress; turning in required assignments; and ensuring that I complete all requirements within the time frame given. I understand that my instructor will not make attempts to monitor my continued involvement in the program at any time and will not be held responsible for failure to complete the program requirements by the deadline given.

20. I understand that I will have access to the course portal and my course materials indefinitely, regardless of graduation status. I understand that if I do not complete the certification requirements by the deadline, my course will be changed to the Personal Enrichment Program and that I will be removed from the social media group.
21. I acknowledge that my teacher may take 3-5 business days to submit assignment feedback, answer e-mails, return student phone calls, and answer questions posted in the social media page and that it is my responsibility to manage my scheduling accordingly.
22. I acknowledge that my instructor may become unavailable due to illness, emergencies, or unforeseen circumstances. The instructor will provide notice for planning purposes through the private social media group page.
23. Although Releasees will make reasonable efforts to avoid rescheduling any live events, I acknowledge that some events may necessarily be rescheduled. Releasee may not be held responsible for arrangement cancellations, caused by class cancellations.
24. **Privacy Policy:** I understand that while Elemental Healing Arts and Training LLC makes every attempt to safeguard my privacy, there is no guarantee of protection of any personal information, including any medical or mental health care information I choose to share, when delivered digitally or through web-based services. As such, I am responsible for sharing only to my comfort level and I will not hold Elemental Healing Arts and Training, LLC liable should my personal information become compromised.
